# ANNOUNCEMENT

**To:** Clinical Operations IH West - Leadership Team  
Managers, Clinical Operations (Thompson and South Cariboo)  
All Staff, Physicians and Community Partners – Lillooet and Lytton

**From:** Berni Easson, Director, Clinical Operations – Community and Primary Care for Thompson and South Cariboo

**Date:** March 31, 2020

**RE:** Heidi Schilling – Interim Manager, Clinical Operations, Lillooet and Lytton

It is my pleasure to announce that Heidi Schilling has accepted the position of Interim Manager, Clinical Operations for the Lillooet Hospital and Health Centre and St. Bartholomew Health Centre (Lytton) effective March 31, 2020. Heidi's main office will be located at the Lillooet Hospital and Health Centre.

In Heidi's 26 years with IH she has gained extensive experience in leadership and strategic and operational planning. She has worked regionally across IH in urban, rural and remote sites. Her experience working with Clinical Operations programs and services includes Home Health, Home Support, Public Health, Chronic Disease Management, Primary Care, Aboriginal Health and Mental Health and Substance Use.

Please join me in welcoming Heidi to her new role working with the Lillooet and Lytton healthcare teams.
