

## **Bio for Dallas Ian Hay for the 2019 By-Election for the position of Councillor**

My background consists of 30 years of service to my Country in the Canadian Armed Forces, where I held various positions in command and administrative roles, with that last 14 years commanding the 4<sup>th</sup> Canadian Ranger Patrol Group. I was tasked with the complete writing of the Canadian Ranger Program within western Canada, which included the Administrative, Logistical, Financial and Training Regulations, along with the governing document - Standard Operating Procedures. I retired after 30 years of service and received congratulatory letters from The Prime Minister, Premier of BC and the Mayor of Victoria for exemplary service to my Country.

I spent four years, as your Chief Administrative Officer, which I thoroughly enjoyed and met some super folks. After a couple of years enjoying retirement, I ran for Councillor in 2014 and was elected to that position. I served as the Gold Country Representative for a couple of years, Chaired the Age-Friendly Seniors Housing Committee and the DL225 Land Committee. I chose not to run in the 2018 Municipal Election for personal reasons.

I believe I can enhance the current Village Council with my previous training and experience in organizational, administrative and financial areas gained during command of a large military organization, as well as the time spent in the position of Chief Administrative Officer for the Village and as a Councillor on the last Lytton Council. I would like to see the completion of the ongoing Water Upgrade Project, the Age-Friendly Seniors Housing take root with its completion and for several other upcoming projects within our beautiful Community

I strongly believe it is the residents, whose needs should be foremost in respect to the governing of the Village and should you decide to elect me to the

position of Councillor, I will undertake to listen to your views, speak with others and if it is the consensus of the residents, provide a study of the matter to my fellow Councillors, with hopes of a favourable decision concerning the matter.

Please come out to vote on either the date of the Advance Poll or on Election Day - your vote matters and together we can work to make our Community an even better place in which to live.
