#### CORPORATION OF THE VILLAGE OF LYTTON

#### **MANAGEMENT REPORT**

The Financial Statements contained in this Statement of Financial Information under the Financial Information Act have been prepared by management in accordance with generally accepted accounting principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Council is responsible for ensuring management fulfils its responsibilities for financial reporting and internal control and exercises this responsibility through the Audit and Finance Committee. The Audit and Finance Committee meets with management and external auditors as required annually.

The corporation's Financial Officer has the responsibility for assessing the management systems and practices of the corporation.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to staff and Council and meet as required.

On behalf of the Corporation of the Village of Lytton

Margaret Stewart
Chief Financial Officer

Date: June 13, 2017

#### Management's Responsibility for Financial Reporting

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of the financial statements.

The Mayor and Council are composed entirely of Councillors who are neither management nor employees of the Viltage. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial statements. The Council fulfils its responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and the external auditors. The Council is also responsible for recommending the appointment of the Village's external auditors.

BDO Canada LLP, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

#### Independent Auditor's Report

#### To the Mayor and Council of the Corporation of the Village of Lytton

We have audited the accompanying financial statements of Corporation of the Village of Lytton, which comprise the Statement Financial Position as at December 31, 2016, and the Statements of Operations, Change in Net Financial Assets and Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Corporation of the Village of Lytton as at December 31, 2016 and the results of its operations, change in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to the Financial Statements
For the Year Ended December 31, 2016

#### 1. Operations

The Corporation of the Village of Lytton (the "Village") was incorporated on May 3, 1945 under the Municipal Act, a former statute of the Province of British Columbia. Its principle activities include the provision of local government services to the residents of the incorporated area. These include administrative, protective, transportation, environmental, recreational, water and sewer services.

#### 2. Significant accounting policies

The financial statements of the Village are based on the representations of management and are prepared in accordance with Canadian public sector accounting standards (PSAS). Significant aspects of the accounting policies adopted are as follows:

#### a) Cash and cash equivalents

Management considers all highly liquid investments with maturity of three months or less at acquisition to be cash equivalents.

#### b) Financial Instruments:

The Village's financial instruments consist of cash and cash equivalents, investments, accounts receivable, accounts payable and accrued liabilities and long-term debt. Unless otherwise indicated, it is management's opinion that the Village is not exposed to any significant interest, credit or currency risks arising from these financial instruments.

#### c) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities, and are generally held for use in the provision of services. They typically have useful lives extending beyond the current year, and are not intended for sale in the ordinary course of operations.

#### d) Tangible capital assets

Tangible capital assets are initially recorded at cost. Amortization is calculated using the straight line method over their estimated useful lives.

Asset	Useful Life (Years)
Engineering structures	50 - 100
Buildings	20 - 60
Machinery and equipment	3 - 30
Sewer system and equipment	30 - 75
Water system and equipment	5 - 75

Whenever events or changes in circumstances indicate that an asset, or group of assets, no longer has any long-term service potential to the Village, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations.

#### e) Revenue recognition

#### Services

Revenues for services are recognized when earned, which is when the transactions or events occurred that give rise to the revenues.

Notes to the Financial Statements

For the Year Ended December 31, 2016

#### 2. Significant accounting policies (continued)

#### **Government Transfers**

The Village recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Village recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable at their estimated fair value.

#### Tax Revenue

The Village recognizes taxes at estimated amounts as assets and revenue when they meet the definition of an asset, are authorized by a legislature, council, or legislative convention, and the taxable event has occurred. At each financial statement date, the Village evaluates the taxes receivable for collectability and records a valuation allowance to reflect the tax receivable at its net recoverable amount, if necessary.

#### f) Employee benefits

The Village records liabilities for accrued employee benefits in the period in which they are earned. Employees are entitled to compensation for unused vacation and sick days, the amount of which can be carried forward and for how long is specified in the collective agreement and employment contracts. Employees are entitled to compensation for accrued vacation when they leave the Village's employment.

#### g) Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets.

#### h) Segment Reporting

The Village conducts its operations through five reportable segments: General, Administration and Legislative Services, Protective Services, Public Works and Transportation Services, Environmental and Development Services, Recreation and Cultural Services, Water Utility and Sewer Utility. These segments are established by senior management to record specific activities to attain certain objectives in accordance with Council policies and the Village's bylaws.

#### i) Liability for Contaminated Sites

Governments are required to accrue a liability for the costs to remediate a contaminated site. Liabilities are recognized when an environmental standard exists, contamination exceeds the standard, the government has responsibility for the remediation, future economic benefits will be given up and a reasonable estimate can be made.

Management has assessed its potential liabilities under the new standard, including sites that are no longer in productive use and sites for which the Village accepts responsibility. There were no such sites that had contamination in excess of an environmental standard which required remediation at this time, therefore no liability was recognized on transition as at January 1, 2016 or at December 31, 2016.

2046

#### The Corporation of the Village of Lytton

Notes to the Financial Statements
For the Year Ended December 31, 2016

#### 3. Cash

The Vitlage has \$42,066 (2015 - \$38,452) of funds received from an endowment fund with the BC Interior Community Foundation (previously the Kamloops Foundation), which are restricted for the betterment of healthcare in the community of Lyton.

#### 4. Investments

	2016	2015
MFA money market fund	400,763	-
Scotlabank term deposit	150,188	-
	550,951	•

MFA money market funds include bank-issued notes, bonds and provincial bonds and debentures. The current yield for the money market fund is 0.81% (2015 - 0.85%) and funds are redeemable at any time. The interest rate on the term deposit is 1.01% and it matures on May 15, 2017.

#### 5. Accounts Receivable

	2016	2015
Taxes receivable	22,999	21,289
Utilities receivable	23,674	26,560
GST Receivable	11,606	24,450
Government transfers receivable	184,389	40,973
General accounts receivable	56,527	113,932
	299,195	227,204

#### 6. Accounts Payable and Accrued Liabilities

	2016	2015
GST payable	•	6,050
Trade accounts payable	82,317	114,341
Lytton Museum	5,150	4,120
BC Interior Community Foundation	42,066	38,452
Payroll and benefits	34,141	36,956
	163,674	199,919

#### Long-term debt

Purpose	Year of Maturity	Interest Rate	Principal Outstanding December 31, 2016	Principal Outstanding December 31, 2015
Sewer	2023	2.40%	\$139,294	\$155,587

2019			\$9,073	
2020			\$9,073	
2021			\$9,073	
Thereafter			\$18,144	
			\$63,509	
Estimated sinking fu	ind earnings		\$75,785	
			\$139,294	
				,

Notes to the Financial Statements For the Year Ended December 31, 2016

#### 7. Long-term debt (continued)

The Municipal Finance Authority (MFA) requires a cash contribution of 1% of the face value of debt when issued. Upon the MFA's administration of the debt, 1% was charged on the gross balance transferred from the Province of B.C. The MFA debt reserve earns interest income and is used to pay the expense of the debt issue. Any remaining balance will be returned to the Village at the maturity of the underlying debt issue.

The debt reserves are contingent in nature and are not reflected in the statement of financial position for the Village. Details of the cash deposits and demand notes for the year are as follows:

	2016	2015
Cash Deposits - Sewer Utility	4,839	4,707
Demand Notes - Sewer Utility	8,699	8,699
	13,538	13,406
Accumulated surplus	8	
	2016	2015
Unrestricted Surplus		
General operating surplus	7,026	(6,185)
Sewer operating surplus	143,061	115,354
Water operating surplus/(deficit)	99,806	2,743
Total Unrestricted Surplus	249,893	111,912
Appropriated Surplus (Reserve Accounts)		
General Stabilization	220,392	_

Total Accumulated Surplus	4,442,598	4,628,210

Notes to the Financial Statements For the Year Ended December 31, 2016

#### 8. Accumulated surplus (continued)

In March 2016, Council supported the reserve and surplus recommendations noted in a report obtained from a local government consultant. Bylaws were adopted in April 2016 to create three new reserve accounts and Council's direction was to redirect existing reserve funds based on the recommendation of the local government consultant.

In 2015 Water and General Fund surplus have been adjusted due to a misposting in 2009 which caused a deficit in the Water Fund and a surplus in the General Fund.

#### 9. Expense by object

	2016	2015
Administration	540,637	485,331
Insurance	23,895	24,338

Write off due to discontinued capital project (Schedule 2)	225,814	-
	1,489,949	1,165,005
Capital expenditures	33,810	123,620
	1,523,759	1,288,625

#### 10. Commitments

#### a) Lease commitment

The Village is committed to the lease of its office space and makes monthly payments of \$1,085 to the Thompson Nicola Regional District (TNRD). There is currently no set term on the lease.

#### b) Municipal Pension Plan

The municipality and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of the assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2015 the plan had about 189,000 active members and approximately 85,000 retired members. Active members include approximately 37,000 contributors from local government.

The most recent actuarial valuation as at December 31, 2015 indicated a \$2,224 million funding surplus for basic pension benefits. The next valuation will be as at December 31, 2018, with results available in 2019. Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the plan.

The Village of Lytton paid \$18,249 (2015 - \$15,007) for employer contributions to the plan in fiscal 2016.

#### c) Other

The Village is currently party to certain existing conditions involving uncertainty which may result in material loss. Where required, a reasonable estimate of these liabilities has been made and is contained in the financial statements as liabilities.

Notes to the Financial Statements
For the Year Ended December 31, 2016

#### 11. Perpetual Cemetery Care Trust

The Cemetery Perpetual Care Trust Fund is administered in accordance with the Cremation, Interment and Funeral Services Act. In accordance with PSAB guidelines, the Cemetery Perpetual Care Trust Fund is excluded from the District's consolidated financial statements.

	2016	2015
Cametery Trust Fund Investments	13,244	13,125
Equity		
Balance, beginning of year	13,125	12,958
Care fund contributions	75	100
Interest earned	44	67
Balance, end of year	13,244	13,125

#### 12. Financial instruments

The Village's financial instruments consist of cash and investments, accounts receivable, accounts payable, capital leases obligations, and long-term debt. Unless otherwise noted, it is management's opinion that the Village is not exposed to significant interest, currency or credit risks arising from these financial instruments.

The fair values of cash and short-term investments approximate their carrying values, unless otherwise noted.

Accounts receivable, accounts payable, capital lease obligations and long-term debt information is provided elsewhere in the financial statements to allow the assessment of the fair values of these financial instruments.

#### 13. Budget

Budget amounts represent the Finanical Plan Bylaw adoped by Council on May 11, 2016.

The Financial Plan anticipated use of surpluses accumulated in previous years to balance against current year expenditures in excess of current year revenues.

The following shows how these amounts were combined:

	2016
Financial Plan Bylaw deficit for the year	(37,486)
Remove transfers from reserves from revenues	(17,500)
Remove capital expenditures from expenses	98,000
Surplus per statement of operations	43,014

Notes to the Financial Statements
For the Year Ended December 31, 2016

#### 14. Government transfers

During the year, the Village recognized the following government transfers:

	Budget	2016	2015

Payments to other taxing authorities		206,679	210,801
Net Taxation for municipal purposes	389,666	381,584	359,170

#### 16. Comparative Figures

The comparative figures have been reclassified to conform with the financial statement format adopted in the current year.

Notes to the Financial Statements
For the Year Ended December 31, 2016

#### 17. Segmented information

The Village is a diversified municipal government institution that provides a wide range of services to its citizens. For management reporting purposes, the local government's operations and activities are organized and reported by service areas. Services areas were created for the purpose of recording specific activities to attain certain objectives in accordance with Council policies and the District's bylaws. The service areas are as follows:

#### General Administration and Legislative Services

General Administration and Legislative services include activities associated with Mayor and Council administration, bylaw review and adoption, financial management, and information systems, insurance and corporate services, including human resources.

#### **Protective Services**

Protective services include activities associated with community safety. These services include fire protection, bylaw enforcement and emergency services.

#### **Public Works and Transportation Services**

Public Works and Transportation services include activities associated with roads and drainage networks. Services include traffic services, street lighting, public works administration, fleet operations, raft take out costs, winter maintenance, and maintenance and improvements to roads, waste and garbage service, and sidewalks.

#### **Environmental Development Services**

Environmental Development services include all activities associated with website design, economic development, grant applications, building inspections, and road closures.

#### Recreation and Culture Services

Recreation and Cultural services include all activities associated with operations of parks, recreation and cultural services. Activities also include cemetery operations, caboose operations, museum operations, and tourism services.

#### **Water Utility**

Water services include all activities associated with water operations, Items include maintenance and enhancements of the water supply system, water treatment, and water distribution system.

#### **Sewer Utility**

Sewer services include all activities associated with sanitary sewer operations. Items include maintenance and enhancements of the sewer collection system and existing infrastructure.

Segmented information has been identified based upon lines of service provided by the Village. Village services are provided by departments and their activities are reported by functional area in the body of the financial statements.
