Dear Mayor and Council,

We are aware that our Visitor Centre Fee for Service Contract dated July 16, 2013 ends on December 31, 2014.

Having this agreement in place has worked very well for the Chamber and we hope the Village feels the same.

We would like to suggest that we enter into a further agreement for the 2015 & 2016 seasons with all terms and conditions being the same as our previous agreement. If this does not suit the Village we would be pleased to discuss any changes the Village deems necessary.

We look forward to hearing from you.

Yours truly,

Sheila Maguire  
Director/Secretary
