Attention: Jessoa Lightfoot, Mayor

Dear Mayor Lightfoot,

Thank you for your letter dated November 13, 2013 regarding the school closure and reconfiguration consultation process in Lytton.

The Board met at Kumsheen Secondary School to discuss the recommendations for the community of Lytton and recommended:

THAT the community consultation process be extended and that a decision is made by April 15, 2014.

Next steps will be to further engage in consultation to ensure that all community members have the opportunity to discuss the future of education and school facilities in the community of Lytton. The Board will seek mutually suitable dates to meet in the New Year.

Sincerely,

Carmen Ranta
Chair
