Dear: Jessoa,

RE: ELDER'S & CHILDREN'S CHRISTMAS DINNER

Once again we are presently in the process of organizing the Elder's Christmas Dinner for December 3<sup>rd</sup>, and the Children's Dinner for December 4<sup>th</sup> scheduled to be held again this year at the Stein Valley Nlaka'pamux School. We anticipate that this year's event will be just as successful as last year's celebrations where over 800 community members attended last year's free event.

In the past you have sponsored many of the free community activities and we greatly appreciate this kind consideration. We ask once again if you would consider a donation towards these events. All donations will assist us in offsetting costs for gifts, Poinsettia's and dinner as last years cost was over \$14,000.00. Should the decision be in our favor please make a cheque payable to Lytton First Nation.

Should you wish to further discuss our request for financial support we can be reached at Lytton First Nation 455-2304 ext. 211 for myself and 212 for my assistant, Christine Abbott.

Thank you again for your consideration.

Leesa Van Peteghen
