Dear Mayor Lightfoot,

**Re: Congratulations from the Association for Mineral Exploration British Columbia (AME BC)**

---

On behalf of the more than 4,500 members of the Association for Mineral Exploration British Columbia (AME BC), it is my pleasure to congratulate you on your election as Mayor.

AME BC is the lead association for the mineral exploration and development industry based in British Columbia. Established in 1912, AME BC represents, advocates, protects and promotes the interests of thousands of members who are engaged in mineral exploration and development in BC and throughout the world. AME BC encourages a safe, economically strong and environmentally responsible industry by providing clear initiatives, policies, events and tools to support its membership.

I have enclosed our popular brochure *Mineral Exploration Life Cycle* for your review. You will also receive a complimentary subscription to AME BC's quarterly magazine, *Mineral Exploration*, which highlights the successes as well as policy issues facing our members.

Annually, AME BC hosts Mineral Exploration Roundup, the world's second largest mineral exploration conference held in Vancouver. I cordially invite you to participate in this event, which will be held from January 26 to January 29, 2015, and I have enclosed our Roundup brochure for your consideration. Roundup presents a not-to-be-missed opportunity to network with leaders in BC's mineral exploration and mining sector. It would be an honour and a privilege for AME BC if you considered attending all or any portion of our world-renowned conference. BC Night on January 26, in particular, celebrates the roles that communities and regions throughout the province play in our sector. Please understand that AME BC is not able to provide complimentary registration or passes to ticketed events; visit [www.amebc.ca/roundup](http://www.amebc.ca/roundup) to register.

I wish you the greatest success as Mayor. If you have any questions about mineral exploration and development, or AME BC, please do not hesitate to contact my office at 604.630.3920 or [gdirom@amebc.ca](mailto:gdirom@amebc.ca).

Yours truly,

Gavin C. Dirom, M.Sc., P.Ag.
