VILLAGE OF LYTTON

To Mayor and Council

I am writing in regards to my offer to purchase an unused lot by my house. The lot number is:

Site plan KAP80723
Section 1, Township 15, Range 27, W6M

I would like to offer \$1,200, plus the cost of the survey - \$942.06, which was done and dated June 19, 2012 (invoice #11-339) for a total of \$2,142.06.

The lot will be used only for storage and I will be responsible for the cleanup, which is estimated at \$2,000 as the lot has been used over the years by the village as a dumping ground for rocks and dirt.

If you have any questions my phone number is 250-455-2588. I look forward to your response.

Thank you
