Mayor O'Connor read the opening statement that forms part of these minutes.

The purpose of this Public Hearing is to allow Mr. Danny Yan, owner of the Lytton Hotel to present his application for an extension of hours to Mayor & Council and the public.

There was one member of the public present, Lorraine Campbell.

Mayor O'Connor asked CAO Madigan if there was any correspondence from the public. There wasn't any correspondence received.

Mayor O'Connor requested Mr. Danny Yan to present his request to the public. A general question and answer process took place. This process dealt with the concerns of those present.

Mr. Yan reported that the Legion's license allows them to be open until 1 p.m. and he would like to have the same opportunity.

The main concern was late night noise. Council agreed that this would be taken care of by enforcing the Village of Lytton Noise Bylaw. Mr. Danny Yan assured Council that he would take care of any noise or disturbances that occur at or near the Lytton Hotel Bar.

Mr. Danny Yan also confirmed that the bar would not necessarily be open every night until 1 p.m. It would as and when business was busy enough to support the late night opening.

Mayor O'Connor requested for a second time if anyone wished to make a representation with no replies from the public.

Mayor O'Connor requested for a third and final time if anyone wished to make a representation with no replies from the public.
