

EVACUATION ORDER ISSUED FOR VILLAGE OF LYTTON

Pursuant to Section 12 (1) of the BC Emergency Program Act, an Evacuation Order has been issued by Mayor Jan Polderman for properties currently under Evacuation Alert located in Lytton. A wildfire event located in the vicinity of Mowhokam Creek/George Road is threatening structures and the safety of residents.

Because of the potential danger to life and safety, the Village has issued an evacuation order for properties in the following areas:

- **Ponderosa Heights**
- **Loring Way**
- **Kumsheen Secondary School**
- **Lytton Pines Motel**
- **Lytton Junction Esso Station**
- **Kent Road**
- **Lytton BC Wildfire Station**
- **All other properties located within the Village of Lytton boundaries as shown on the attached map.**

If you are in any of these areas, you must leave immediately.

If you have been evacuated due to wildfires, you should register with Emergency Support Services (ESS) whether you need the support or not. This will help ensure that your loved ones and communities know where you are and know that you are safe. You can self-register online at <https://ess.gov.bc.ca/>. If you require assistance with self-registration you can ask for help by calling the Emergency Support Services Info Line: 1-800-585-9559.

We recommend you arrange to stay with friends or family. If you cannot stay with friends or family please report to the reception centre at Chilliwack Senior Secondary School, 46363 Yale Rd, Chilliwack.
