

Village of Lytton Update

September 1, 2021 at 5 p.m.

VIEWING AND SIFTING IN THE VILLAGE OF LYTTON TO BEGIN TOMORROW

After meeting with WorkSafeBC today, the Village now has an approved and safe plan to begin the viewing and sifting process. Residents who would like to view their properties, or receive support with sifting through the rubble on their properties should contact a certified organization, such as [Samaritan's Purse](#) or [Team Rubicon](#). These organizations will provide the necessary personal protective equipment and ensure residents' safety.

Residents who have already registered with an organization will be contacted soon, and sifting will begin as early as tomorrow. It will be a phased process, beginning on the West side of Main Street.

APPLY FOR EXTENDED EMERGENCY SUPPORT SERVICES

Residents of Ponderosa and Loring who are unable to return home and therefore need to continue receiving Emergency Support Services (ESS) must complete an Extraordinary Evacuee Authorization Form. Residents can begin the process by emailing communication@lytton.ca with their full name, address and contact information.

GIFT CARD DRAW REGISTRATION

The Village of Lytton has received a number of gift cards to distribute to residents who have lost their homes due to the wildfire. The Village will be distributing the cards equally through a randomized draw. To be entered into the draw, residents are asked to register by completing the Housing Needs Assessment survey here:

<https://www.surveymonkey.ca/r/LyttonHousingNeedsAssessment>.

If you would prefer not to complete the survey but would still like to be entered into the draw, please send your name, address in the Village and contact information (where the cards can be sent) to communication@lytton.ca.

INTERIM HOUSING AND NEEDS ASSESSMENT

The Village of Lytton asks all residents to complete an Interim Housing and Needs Assessment by September 3, 2021. This assessment is part of the process of establishing interim housing that best meets the needs of residents. Complete the Assessment online here:

<https://www.surveymonkey.ca/r/LyttonHousingNeedsAssessment>.
