LYTTON FIRE FUND APPLICATION FOR FUNDING

The Fire Fund was set up from funds that were donated to the Territory of the People by Anglicans and friends from around the world. Funds have also been donated by PWRDF from donations to their charitable fund to aid individual Canadians who need support in times of crisis. The Territory entrusted the disbursement of funds to a committee of local people. The Committee has set as its first priority that funds will be awarded to those with immediate needs who lost homes (owner or renter).
