DONATED FURNITURE AND APPLIANCES FOR WILDFIRE AFFECTED RESIDENTS

EMBC's Donations Management program has a warehouse with many donated articles still available. Wildfire affected residents who are trying to replace furniture or appliances lost in the fires are asked to call the ADRA warehouse to make an appointment to view and choose donated items. The warehouse is located in Coldstream and is only open at certain times during the week, so residents are required to prearrange appointments. Email adrawarehousedonationsmanager@gmail.com or call 250-307-4353 to book an appointment.

PROPERTY OWNERS ASKED TO CONTACT BC ASSESSMENT

BC Assessment is asking British Columbians whose properties were impacted by the 2021 wildfires to connect with them for assistance in determining their property's accurate status, and to report damage or loss.
