6.1 Repurposing Committee to Planning and Rebuild

Chair Leitch reviewed the committee purpose as laid out in the Terms of Reference (TOR) for the Leadership and Policy for Recovery Select Committee:

“The purpose of this Committee is to provide direction and policy for the functions of recovery that will benefit from fuller consideration and discussion than can be accommodated at Council Meetings.

These functions will include interim housing, as well as other functions to be determined as the process moves forward.”

He proposed that as the Village has completed the Short Term Recovery Plan and reviewed Interim Housing, that the TOR is becoming outdated.
