

Archaeology Frequently Asked Questions

Prepared for the Village of Lytton, March 2023

1. How do I get archaeological information about my property?

Submit a [BC Archaeological Information Request Form](#). Complete the required fields marked with an asterisk (*) and click the 'Submit Form' button located at the bottom of the page.

2. Why do I need to submit a BC Archaeological Information Request Form?

Due to their sensitive nature, information regarding archaeological sites is not shared publicly. When you submit an Information Request, you are agreeing to information sharing terms and conditions. This allows the Archaeology Branch to provide property owners with important archaeological information specific to their property.

3. Where do I go to access the BC Archaeological Information Request Form?

The BC Archaeological Information Request Form can be found here:

<https://www.archdatarequest.nrs.gov.bc.ca/>

4. What do residents without access to a computer or who are otherwise unable to submit electronically do?

The Village of Lytton will work with residents to submit signed information requests to the Branch for processing.

5. Who do I contact if I have other questions related to this form/process?

Contact the Archaeology Branch's Lytton email inbox at LyttonHCA@gov.bc.ca.
